## Social Enterprise Business Plan Checklist

Questions to ask yourself as you proceed through your planning

Embarking on the journey of establishing a social enterprise can initially seem overwhelming, filled with uncertainty and risks. However, a successful social enterprise is fueled by passion and a robust business plan.

We have created this Social Enterprise Business Plan Checklist specifically for non-profit leaders like you. The questions in this checklist encourage social entrepreneurs to consider various aspects of launching a social enterprise and positioning it for long-term success.

These questions lay the groundwork for assessing whether you have enough details to gauge the potential success of your social enterprise. As you delve into your plan, you may discover additional questions to address gaps, clarify opportunities, and enhance organizational strengths. Remember to incorporate these questions into your final review as well.

### Instructions:

Using the checklist as a guide, answer each question below. Then, determine whether additional research is required, when the study will be completed, and note when each task is completed. Add any notes about progress/hiccups in the notes column.

Facilitating conversations that move from  
talk > action > accountability > results

### SOAR | Building on a Strong Foundation

Before you dive in too deep, it is always a good idea to analyze your social enterprise idea using the SOAR (Strengths, Opportunities, Aspirations, and Results) framework. Start by asking yourself:

#### Business Plan Components

#### Assessment & Notes

##### SOAR Analysis

Research Req'd	Due Date?	Completed?	Notes
<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="radio"/>	
<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="radio"/>	
<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="radio"/>	
<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="radio"/>	

What are the STRENGTHS of this social enterprise?

What opportunity gaps does this enterprise fill in the market or the community? Consider weaknesses and threats, looking for related OPPORTUNITIES.

What ASPIRATIONS exist for the social enterprise and who can help you realize this outcome?

Given the RESULTS desired, what risks have you not accounted for?
